IN THE MATTER OF THE ARREST OF
**VICTORIA GABRIELA RODRIGUEZ-
MORALES**

Case No. 23-

Filed Under Seal

**AFFIDAVIT IN SUPPORT OF
AN APPLICATION FOR AN ARREST WARRANT**

I, Kevin Vázquez, being first duly sworn, hereby depose and state as follows:

INTRODUCTION AND AGENT BACKGROUND

1. I have been employed as a Special Agent with the Federal Bureau of Investigation (“FBI”) since April 2023. I am assigned to the FBI San Juan Computer Intrusion Program. I am also temporarily assigned on a part-time basis to the FBI San Juan Violent Incident Crimes Program. I have received training in conducting criminal and national security investigations on a variety of federal crimes involving cyber-criminal, counterintelligence, counterterrorism, drug trafficking and violent crime violations. I have acquired other extensive experience investigating federal violations through my daily investigative responsibilities. Previously, I was an FBI Intelligence Analyst from May 2019 until April 2023, during which time I worked on criminal and national security intelligence matters for various federal violations and programs and supported ongoing criminal and national security investigations for various federal violations and programs to include, but not limited to, cyber-criminal, counterintelligence, violent crimes, and counterterrorism.

2. I possess extensive experience in other investigative matters such as interviewing witnesses, informants, and victims, and the execution of search warrants to collect a variety of different types of evidence pertinent to state and federal investigations, and including the

preservation and processing of crime scenes, as well as physical, digital, and DNA evidence. The facts in this affidavit are derived from my personal observations during this investigation, my training and experience, and information obtained from other state and federal agents, witnesses, computer scientists, and analysts, with whom I have worked and have found to be credible and reliable. This affidavit is intended to show merely that there is sufficient **probable cause** for the requested arrest warrant and does not set forth all my knowledge about the discussed matter.

3. Based on my training and experience and the facts as set forth in this affidavit, there is probable cause to believe that violations of Title 18, United States Code, Sections 875(c) - Threatening Interstate Communications - have been committed by Victoria Gabriela RODRIGUEZ-MORALES, who is currently residing in Puerto Rico. Therefore, I respectfully request the Court approve the submitted complaint and issue an arrest warrant for Victoria Gabriela RODRIGUEZ-MORALES.

BACKGROUND

4. Since 2020, the United States (through the FBI and the US Secret Service) has been investigating a series of violent threats in violation of Title 18, United States Code Section 875(c) - Threatening Interstate Communications - directed at public institutions, public officials, and private citizens in Uvalde, Texas, and other Texas areas, from operator(s) in Puerto Rico.

5. The investigation identified the main suspect for these threatening communications as Victoria Gabriela RODRIGUEZ-MORALES, a young female resident of Puerto Rico, who was been previously investigated, since at least 2018, in Texas, for the same type of threats directed at Uvalde officials, citizens, and facilities.

6. The investigation further revealed that RODRIGUEZ-MORALES and her mother, V.M.H., previously resided in Uvalde, Texas. RODRIGUEZ-MORALES faced juvenile

delinquency proceedings in Texas and was placed in the custody of a Juvenile Center. During her detention, on or about 2018, she sent email threats to kill public officials, shoot schools, and kill teachers and students. Per official documents related to the case, RODRIGUEZ-MORALES admitted the conduct. Subsequently, as a condition for RODRIGUEZ-MORALES' release from juvenile supervision, on or about May of 2020, RODRIGUEZ-MORALES and family relocated to Puerto Rico.

7. The pattern of threats directed at Uvalde officials and institutions continued throughout the years 2020, 2021, 2022, and continue to take place in 2023. For example, in September 2020, RODRIGUEZ-MORALES, using her mother's phone number ending in 5506 and another relative's phone ending in 9269, made repeated calls to the Uvalde Police, the Uvalde High School, the Morales Junior High School, the Texas Public Safety Department - Texas Rangers Uvalde, the Uvalde Fire Department, and the Uvalde High School Department of Human Resources. She also sent threatening emails.

8. On May 24, 2022, a young male by the name of Salvador Ramos, shot and killed 19 students and 2 teachers at the Robb Elementary School in Uvalde, Texas. Many other victims suffered injuries. After the massacre, public institutions and officials in Uvalde, Texas, continued to receive threats originating in Puerto Rico. Many of the threats by RODRIGUEZ-MORALES reference the events committed by Salvador Ramos on May 24, 2022, at Robb Elementary in Uvalde.

9. At the time of the aforementioned threats, RODRIGUEZ-MORALES was still a juvenile. As of August 2022, RODRIGUEZ-MORALES turned 18 years of age. Authorities and individuals in Texas have continued to receive threats through emails and electronic messages that originate in Puerto Rico.
